

THIS SEASON WE ARE CELEBRATING

VOL: 03 Oct 11th 2016

# THE EAGLES ARE IN FULL FLIGHT

## S.B.C. WELCOME

Greetings everyone to this week's Eagles news, as it is certainly full of cheer for our players. All of our senior teams were victorious and our juniors were also celebrating their games, as they all commenced their season campaign last week as well. Keep up the good work Eagles and keep enjoying your baseball, as that is the key to success!

This week we will be getting our first glimpse of our youngest Eagles, as the Tee ball and Rookie Ball kids will be making an appearance on Tuesday night. There will be a short game, followed by participant pack and t-shirt presentation for the newbies, as well as a warm welcome to our returning Eagles as they continue on with their fine baseball careers.

Off-field there are some events to be heading our way soon, starting with the \$1000 draw in late Oct and soon we will be announcing all of the details for our 50th Anniversary of baseball at Barclay reserve function. There will be our amazing Friday night dinners coming up as well for the juniors, with door prizes, raffles and some baseball movies on the big screen for the kids.

## S.B.C. VALE

Sunshine Baseball Club and its members wish to pass on their sincere condolences to the Gathercole family for the passing of Amy, who was the grandmother of Dave Gathercole (current 4ths player) and also to the Higginson family with the passing of Nellie Higginson. Nellie was the mother of Rick Higginson, who played for the Eagles in the 80's and 90's: who in his day was a division 1 home run award winner.

## EAGLES PIC OF THE WEEK

Thirds: Hacka acknowledging Laird's work on the hill

We're looking forward to next week when our Tee ballers start their official season. This Tuesday (Oct 11th) the kids will have a game and there will be the parent info session.

The new Rookie Ball program will be an exciting one for the kids as they learn and practice baseball skills, as well as participating in games one a month with the U12s kids.

Leroy was very proud of the U12s Red team as they went about their ways on their first game and he is keen to develop their skills further throughout the season.

The U12s Blue started off the season well with the kids scoring many runs in their game against Newport. Keep those bats swinging kids and enjoy your baseball.

Our U12s Sunday team were up against a stronger opponent on the day, but that didn't deter their spirits or their will to have a go. Well done kids on your first Sunday game, top stuff!!

The U14s Blue made the trip to Werribee after the Footscray game was called off and played their first game of the season. Well done guys great start, all the best for this week.

The U16s had a ripping game with many runs scored which converted into a nice victory in the end. Congratulations guys and all the best for your game this week !!

The U18s played some very good baseball with solid pitching and some hard hitting. Well done team on your season opener, there are many good signs on the board already for you all.

The Masters lads will be looking towards another fine season as they go about their ways and they have started very well indeed, with a handy win over Newport at home.

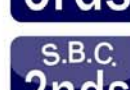

The Women's team were celebrating their well earned win over Sandringham. The ladies got the runs on the board early which held them in good stead for nice victory.

The 4ths had a comfortable win at the Melbourne Ballpark against Malvern and it was great to see Veteran Diamond Jim back on the hill. Well done lads, let the good times roll!

The 3rds were in control from the start of the game with some great hitting for the young and not so young Eagles. Tim was a rock on the mound with a solid pitching performance.

The 2nds were also dominating in their game during the windy conditions over at Malvern. Lachy was in form doing what he does best and not to be outshone by Galloway who closed.

Our first nine showed the opposition that they meant business and came away with a comfortable win. They will be looking to keep the momentum going against Berwick in the mid-weeker.
