

THIS SEASON WE ARE CELEBRATING

VOL: 04 Oct 18th 2016

A WEEK OF MIXED FORTUNES

S.B.C. WELCOME

Greetings everyone, to this week's Eagles news. On-field there were a few ups and downs for our seniors, but overall things are going along ok as our players are starting to settle into their respective roles and will no doubt improve week after week as the season goes on. The juniors section is well under way now, as they lead into their 3rd round of the summer season this week and weekend, good luck to all teams!

All the best to the Tee Ball and Rookie Ball kids, as they have their first session on Tuesday night. It should be plenty of fun for all on hand.

Off-field there are a few events coming our way, which you will no doubt see posted on social media and will receive by e-mail. We hope that you can support your club and participate where you can to join in on all of the festivities.

Regards S.B.C.

S.B.C. 1sts # 28 - LEWIS WELDON

First home run of the season goes to Lewis Weldon from the 1sts. Well done Lewis, your skill with the bat is admired by many.

EAGLES PIC OF THE WEEK

U16s: Ben Murphy well poised in a familiar role. Photo: Jason Murphy

This week officially sees our youngest take to the field for some real action!! There is nothing better than seeing the kids enthusiasm as they learn all the skills to play baseball.

The Rookie kids will be taken through the basics and will start to get a better understanding of how to play the game. Time to start developing their baseball brain :-)

Leroy's crew of U12s Red had the night off due to the bye. These kids will no doubt be ready to take on the Blue this Friday as they have a game against each other at home.

The U12s had a ripping game with some goods hits and some nice base running. Well done kids, you are really starting to show some good signs early in your season.

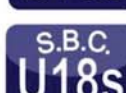

Our U12s Sunday team is doing a great job so far this season. For such a young team to step up the challenges of Sunday Major baseball is to be admired, keep it up kids, you are tops!

The U14s Blue team took every opportunity they could to rack up the runs in their home game against Newport. Good pitching and hitting was the key to success for the kids.

The U16s continue on their fine ways this season with a comfortable win over Williamstown. Jared has nothing but fine words and promise for his young band of Eagles.

The U18s had a tough game, but there were still some shining lights for the team. Good pitching, a few ripping hits and a couple of good tag outs were all promising signs for them.

The Masters were up against a tougher opponent last night and only managed to score 3 runs for their efforts. Time to reload this week fellas and to have another crack

The Women's team came up short against a stronger opponent being Cheltenham. The ladies scored 7 runs for the efforts and will get those bats swinging again this week.

The 4ths got over the line in a low scoring affair with Berwick. Macka was a stand out in his first game for the Fourth's racking up 3 hits along the way. Well done fellas, good win!

The 3rds were under the pump, as they took on Berwick at home on Sunday. Hacka was impressed with the way the juniors are developing and has high hopes for them this season.

The 2nds were up against a tougher opponent on the day and things just didn't seem to go their way. The boys will no doubt be looking to make amends this week against Williamstown.

After the drawn mid-week match at MBP against Berwick, the lads managed to get the upper hand on the weekend. Well done to Lewis Weldon for his home run at the stadium, just awesome!
