EAGLES SEASON UNDERWAY

S.B.C. WELCOME

Greetings to everyone and welcome to our Eagles Newsletter Vol:2 this week. Finally the seniors season is underway with the 1sts and 2nds opening up their account with a couple of nice wins over Port. The 3rds & 4ths were unable to play due to the poor condition of our ground after the heavy rains, hopefully it will be right for this weekend. This weekend we can look forward to our Women's team, our Sunday juniors and then followed by the Masters lads who play on Monday who all play their first games. This Friday also sees the start of our Friday night Juniors with our young Eagles taking to the fields. This sure is shaping up to be a huge weekend of baseball. **GO EAGLES !!**
