

THIS SEASON WE ARE CELEBRATING

VOL: 05 Oct 25th 2016

WASHOUTS ALL ROUND !

S.B.C. WELCOME

Greetings everyone, to this week's round of news. It sure was a disappointing week for many of our teams as the majority of games were cancelled due to the heavy rains rendering many grounds unplayable. It all started with our juniors on Friday night being washed out, our 1sts and 2nds were next to be called off on Saturday, followed by the Women's team who almost got their game in, but was called off early. Our Sunday juniors were the next casualties, as all grounds were deemed unplayable, but later that afternoon our 3rds and 4ths managed to play their games at Williamstown. Our Masters team which played last night, are back on track after a nice win down at Essendon, well done fellas.

Fingers crossed for this week's games and all the best to our fine EAGLES.

TEE /ROOKIE BALL SESSIONS NEXT TUESDAY

Due to the Melbourne Cup public holiday next Tuesday, there will be no training or tee ball session. Training for the U12s and U16s is still on Wednesday as normal. Enjoy the long weekend if you have one :-)

WORKING BEE THIS WEDNESDAY OCT 26th 6.00pm to 7.00pm. Our grounds are in need of a little TLC at the moment, so if you can spare the time, we welcome you to come along to our working bee this week. We plan to do some weeding around the front and back diamond areas and to generally do a tidy up of our grounds. Bring some gloves and some garden tools if you have any, it would certainly be appreciated!! Regards S.B.C.

PIC OF THE WEEK

TEE BALL & ROOKIE BALL, LET THE GOOD TIMES ROLL!

WEEKLY WRAP

EAGLES Tee Ball

The Tee ballers are underway and already we are seeing lots of untapped talent amongst our youngest. Keep up the good work kids and we look forward to our next session.

EAGLES Rookie Ball

The Rookie kids had their fist test last week at pitching and catching, as well as trying to hit a thrown pitch. It was a good exercise and one the kids surely learned from.

S.B.C. MASTERS

The Masters were firing on all cylinders last night, especially Loui with 3 hits to his credit. Well done guys, that sure is the way to get back on track after last week.

S.B.C. WOMEN'S

The Women's team almost finished their game in wet and windy conditions in Essendon before the game was called off. Top effort ladies in very trying circumstances indeed.

S.B.C. 4ths

The 4ths were dominant in their game in Windy Williamstown. Strong hitting and solid pitching were the key factors in their win. Well done fellas and all the best for this weeks game.

S.B.C. 3rds

The 3rds started off well with a couple of early runs, but then the opposition got the better of them. Great pitching from young Hacka & Isaiah, coupled with some nice hits were inspiring.

THREE REASONS WHY OUR CLUB IS AHEAD OF THE REST WHEN IT COMES TO MEDIA AND PROMOTIONS

SALLY HAND

JASON MURPHY

We've said it before, but we'll say it again, if it wasn't for the dedication of our fine photographers, we wouldn't be able to represent our club at the high level that we do. We have had many people taking pictures and recording our players over the years and we certainly appreciate it, but there are three photographers that go far and beyond the call of duty and capture some amazing images along the way. To Sally, Lee and Jason, our club is very fortunate to have you guys recording our history in this era and we thank you all very much.
