UPS AND DOWNS FOR EAGLES

S.B.C. WELCOME

Greetings everyone, to this week's round of news. There were some ups and downs again this week for the Eagles, but the good thing is that there is always next week to have another crack and to make the most of the opportunities that may come our way. We are looking forward to the Friday night juniors returning after their break, all the best for this week's games kids!

Off-field we would like to thank Rob, Vic and Lee for doing a great job last week at the working bee, the club needs more volunteers like these guys, so please lend a helping hand when you can.

This week we will also be announcing the details of our 50th Anniversary of baseball at Barclay reserve function, it is shaping up to be a great day.

PIC OF THE WEEK

Daniel, Glenn, Jack & Russell Letts

3rds: For the first time ever, the 4 Letts's played together for the Eagles

With the break this week due to cup day, the Tee ball kids will be ready to jump into next week's session with Jim with doing some fun drills and playing the game in the end.

The Rookie kids also have the week off and will also be keen to get back into it. Rubber ball tee hitting and fielding drills will be on the menu and then a quick Rookie game.

After the break, the U12s Red team can look forward to getting back into this Friday as they take on the Williamstown Wolves over at Willy. Good luck kids and have fun.

The U12s have to wait another week before they get to play, as they have a bye this Friday. Sorry guys, we just know you are all keen as mustard to play again, it won't be long now!

After the bye last week, our U12s Sunday team have the opportunity to test their skills again and this time it is against Williamstown. Have a great game guys, all the best!

The U14s Blue team have the home ground all to themselves this Friday as they take on The Werribee Giants on the main diamond. This should be a great game, GO EAGLES !!

The U16s notched up 4 runs in the match up with Newport in their away game last Sunday. It was a tough day at the office for the kids, but they soldiered on and played well.

The U18s were behind early in their game against Geelong, but you can never underestimate their commitment. Great finish by all kids and Jamie Young's two home runs were just amazing.

The Masters guys kicked back and relaxed as the bye came into effect for them on Monday. They are doing well so far this season with only the one loss on record to date.

The Women's team had the weekend off due to a late fixture change which unfortunately saw them forfeit due to lack of numbers. No doubt the ladies will be out in force this week!

The 4ths continue on with their fine form with a close victory over Doncaster. The guys also rallied around Young Joshua Byrne, as he got his first hit in the seniors which was fantastic!

The 3rds went down in their game at Doncaster, but Hacka saw many positives from the young team and congratulated them. The Letts, Letts, Letts & Letts line up was certainly memorable.

With a depleted line up, the 2nds went about their ways and made the most of their opportunities as they arose. With 3 wins and only the 1 loss, they are tracking quite well this season.

Our first nine were missing a few key players which showed in the result unfortunately. No doubt they will be digging deep in the mid-weeker and again on Sunday to get back on the winning list.
