

OUR AMAZING EAGLES!

S.B.C. WELCOME

Greetings everyone, Happy New Year and welcome to the first newsletter for 2017.

The season has recommenced with the Women's and Masters teams taking to the diamonds already. Both teams had very close games and none much closer than the Masters, ending up with a 6 all draw. Special mention goes to Sandy Rand for filling in for the Women's team when the numbers were low, well done Sandy, you are a trooper !! This weekend sees the return of our remaining senior teams, then followed by the Junior baseballers the week following.

Off field the committee and members have been busy getting things in order for the remainder of the season, as there are some very exciting events on the horizon. As we know, the times goes so quickly these days and they will be upon us before we know it. It will kick off for our tee ballers, as they have a Gala day coming up on Feb 11th, then followed the next weekend with our Past Players Day which is always a great event to attend and to get together with your friends, there is no need to have been a past player and everyone is welcome. Following that is our annual Casino Trip to Crown Casino and then our Presentation nights which are a great celebration of the season for all to enjoy.
