MASTERS OF THEIR CLASS!

S.B.C. WELCOME

Greetings everyone and welcome to volume 19 of the Eagles News for season 2016-2017. It was an action packed weekend at the Eagles dome with finals, fun and celebrations for our past players on Saturday.

To kick it off we had our U12s Red team playing Werribee at Werribee in the semi final on Friday night. The kids really started well getting 6 outs in the first 2 innings, which was a great effort, then scoring a single run on a steal at home. The opposition got the upper hand the following innings, but overall it was a great effort by the kids and one to be proud of. Our U14s also played their semi final and the team was just fantastic as they went about their winning ways and came away with a victory which now earns them a grand finals berth, well done Chad and kids, just awesome! The U16s finished off their home and away season with a nice win and will start their finals campaign this Sunday against Geelong, go get em Eagles!! The U18s finished off their season with a great game against Preston with all the players getting around each other to celebrate a fitting win. Our amazing Tee ball and Rookie ball kids have their last session tonight.

Our seniors saw all of our teams victorious over Ballarat and our Masters were in their element with the bat, as they well and truly burst into the first grand final for the seniors with a solid win over Preston. Our first nine are set to finish what they started this season and wont hold back on their last 2 games and even though our seconds were winners, they missed out by the smallest margin for a final appearance. The thirds finished their season with a resounding win and credit goes to the young team for sticking together and finishing off with almost a 50% win rate for the season. **GO EAGLES !!!**
