WELCOME

Greetings everyone and welcome to volume 17 of the Eagles News for season 2016-2017.

The heat sure was on for the Eagles in more than one way in our most recent round of baseball. Our first nine had a come from behind victory in the midweek game and then had to settle for the draw against Willy in stormy conditions late on Sunday. Our other senior teams also battled in the trying conditions, but none more than our Women's team on the Saturday, with a high of 36 C when the ladies took to the diamond. Our juniors enjoyed more settled conditions on the Friday night and Sunday morning. Top effort to all teams for another great round of baseball, sure some of the results could have gone the other way, but that's baseball and there is always next week.

NOTICE

As the season nears the end, it can be an exciting time, as some teams will have the opportunity to play finals, whereas others will be reflecting on the season that was. Either way Sunshine Baseball Club is so proud of everyone for their efforts that have made it a great season, as well as helping us to celebrate our 50th year of baseball at Barclay Reserve.

EAGLES Tee Ball

It was great to see the kids back in action on the tee ball diamond last week. The kids had one of their best sessions, as they went about their ways and show off their fine skills.

EAGLES Rookie Ball

The Rookies and the tee ball kids both combined for a great session last week. The kids are throwing the ball with much more accuracy and are hitting the ball a lot harder to get on base.

S.B.C. U12s

The U12s Red team had the Friday off and will be keen as to take on our own Blue team at home this Friday. All the best kids, keep swinging the bats and run like the wind to get on 1st.

S.B.C. U12s

The U12s Blue team played a good game at home last Friday and managed 6 runs for their efforts. Its good to see the kids listening to the coach, which will in turn benefit their end game.

S.B.C. U12s SUNDAY

Our U12s Major team got a run on the board early which was very pleasing for the kids. We have said it before and we will say it again, for such a young team, you are all going just great.

S.B.C. U14s

The U14s had a very close game over at Williamstown last Friday and only lost by a single run in the end. This will only spur the kids on for this weeks game on the run home for finals.

S.B.C. U16s

The U16s took on the ladder leaders Fitzroy and the game went down to the wire as expected. Top effort kids, this shows just how competitive you are, keep up the good work this week.

S.B.C. U18s

The U18s had intent and took the game head on last Sunday with some strong hitting and excellent defence. A well deserved win in the end for the guys, keep it going into this week and never give in.

S.B.C. MASTERS

The Masters continue on their winning ways this season with a great victory over Williamstown last night. All the best guys as you head towards your last home and away game this week.

S.B.C. WOMEN'S

The Women's took on Moorabbin at home in very warm and sultry conditions. The managed 7 runs for their efforts and made the most of the opportunities when they arose, well done ladies !

S.B.C. 4ths

The Fourths came out swinging and racked up the runs early for a comfortable lead before, enforcing the mercy rule on the opposition. Great work boys, keep it going again into this week.

S.B.C. 3rds

The Thirds had a very tight game at home as they took on Willy who were eagerly looking for the win. After being down before our last at bat, the lads stepped up for some timely hits for a good win.

S.B.C. 2nds

The Seconds had a very low scoring game for the most part and it only got away from them in the end. With only a couple of game to go, the lads need to finish off strong to have a chance for finals.

S.B.C. 1sts

The Firsts have certainly had a few nail biters recently and last weeks games were no exception. Credit goes to the team, as they never say never and have the belief that is required to succeed.
