S.B.C. WELCOME

Greetings everyone and welcome to volume 18 of the Eagles News for season 2016-2017.

Our first nine have their sights firmly set on the minor premiership now that they have top place on the leader board and they will not be giving that spot up in a hurry. Our seconds are still in the hunt for a finals berth as well with a much needed win on the weekend. Our 3rds are finishing off the season with some great baseball and the fourths have guaranteed themselves a minor premiership after their win. The ladies played their last game of the season and finished on the same positive note that they started with and our Masters have cemented themselves in the top four and have earned themselves a finals game next week.

The juniors season has been a very exciting one with many of our teams being very competitive and playing some great baseball. This week sees the first of the finals series with our U12s Red and U14s Blue playing their semi finals, good luck kids, give it your best shot! Our other teams can also be proud of themselves for a fine season, as we are all certainly proud of them!! To our Sunday teams with a game still to go, all the best and play to your best ability and everything else will take care of itself. Our Tee and Rookie ballers still have 2 sessions to go, which will no doubt see them refine their skills even more and to set themselves up for a fine baseball career in the future.

Off field, our amazing group of volunteers are gearing up for a busy couple of weeks, as we head into the tail end of the season with many events and exciting things going on around the club. We can't thank them all enough and also our fine members, families and friends for also supporting our great club as we continue to celebrate our 50th year of baseball at Barclay Reserve.
