Everyone is welcome to come along to our Annual General Meeting on June 23rd at 7.00pm

SUMMER ON OUR MIND

Greetings everyone and welcome to our Eagles May Newsletter.

With the cold weather starting to set in, there is only one thing that comes to mind, **SUMMER BASEBALL!**

Our hard working committee are working hard behind the scenes already and are looking to make this coming summer season one to remember both on-field and off-field. Next season we will be back division One where we belong and we will be faced with more challenges than before, but they are challenges that we will be embracing and tackling head on. We have a great group of people working tirelessly behind the scenes and their agenda is to improve on the past year and to make our club more successful than ever.

Our club is very fortunate to have so many fantastic volunteers and we always look forward to seeing them each year and more importantly, to recruiting new ones. New volunteers, mean new ideas and we all know how important that is. If we just keep doing things for the sake of it and not putting in the extra effort, we would be wasting our time and before long our membership base would decline, which is certainly not an ideal situation. The reason Sunshine Baseball Club is still around after 78 years is because of the many volunteers over the past seasons and we owe it to them and to our kids to keep the fine traditions and values in place.

The **Annual General Meeting** is due to be held in just over 3 weeks time. This is when the new committee will be elected for the coming season, as well as reflecting on last season. We invite all members players and parents to come along to the evening, you aren't obliged to put your hand up for any roles (but feel free to do so), just come along to gain a further insight into the workings of the club and to welcome in the new committee. Nomination forms will be e-mailed and posted on-line shortly for those wanting to step up and help out our great club.

Resignation Of Grant Weir – Club Coach Sunshine Baseball Club

Senior Club Coach Grant Weir has given notice and resigned as head coach at Sunshine Baseball Club on completion of our 2016-17 Summer Season. Grant's two year engagement at Sunshine Baseball Club saw significant changes in training and game approach with Sunshine's senior players group. The efforts and time put into training by Grant, and professionalism that Grant brought to the club was appreciated and was a critical driver towards his success in taking our Senior Firsts team to a Premiership and winning the flag in Second Division in 2016-17. On behalf of Sunshine Baseball Club Committee, Players and Members, I'd like to thanks Grant for his on-field and off-field involvement, friendship and success in getting Sunshine Baseball Club back into Division One. We wish Grant all the very best in his future endeavours, and I'm sure he will have success down whatever path he chooses.

Thank You & Best Of Luck.
