EAGLES NEWS

Greetings everyone and welcome to Volume 02 of the Eagles Newsletter for season 2017-2018.

Another weekend of baseball action passes us by, but the good thing is, is that we get to do it all again this week! The majority of our teams have now taken to the fields, which is a very pleasing feeling for our administrators, who have done a lot of the ground work behind the scenes to help make it happen.

We have a few exciting events coming our way soon, which we will be advertising to everyone. Also we need to remember, it is not always about what happens on the field, but also about what happens off the field. We as a club, are very fortunate to have so many wonderful members and friends who continue to support us and we look forward to celebrating this season with you all.

SENIORS NEWS

It was a weekend of mixed results across the board for the senior's last week.

Our firsts were unable to get the required runs and gave up a few to the opposition in the process. The 2nds were in it for the most part, but let it slip away in the later stages. The 3rds had a late rally in their loss to Essendon and the 4ths managed to secure a 1 run victory in a tight game. The Women's were up against a stronger opposition on the day and as for the Masters, they comfortably got the points over Footscray in their away game.

Good luck to all teams this week, it is a new round with new opportunities.

JUNIORS NEWS

It was an exciting time for the eagles as our juniors took to the fields.

Our combined U18s team played very well for a solid win over Cheltenham, as did our U16s, who had the upper hand for the most part of the game against Essendon. Our other Sunday team being the U12s Majors made their coach very proud with many highlights and 5 earned runs along the way. The Friday night crew didn't disappoint either, with good results all-round. The U14s had a ripper game with many players contributing, as did the U12s Blue and Black team playing at home. Big hits, fly balls, good base running and good sportsmanship were the highlights of a great night of baseball.
