**Women's:** *It didn't take long for the Women's team to notch up their first win of the season.*

## EAGLES NEWS

Greetings everyone and welcome to Volume 03 of the Eagles Newsletter for season 2017-2018.

It was a weekend of victories for the majority of our senior teams and our junior never cease to amaze us with their intent and love of the game.

Off-field there is a hive of activity going on, as there are many things on the horizon for our members and we will be releasing more details to hand shortly.

We just want to thanks some of the volunteers behind the scenes who look after our fields and grounds. Alan Chin marks the junior diamonds each week, Chad Galloway, Leigh Davis and Rob Browne also look after the grounds to keep them in order for our members and Sandy, Kathy K, Jo Adams, Sherie and Vic (just to name a few) have been doing a wonderful job in the canteen and kitchen each week.

## SENIORS NEWS

It was a good weekend of baseball for our senior teams with many getting the points on the board for the Eagles. Our 1sts had a come from behind win and our 2nds held off for a draw in their tussle with Upwey FTG. The 3rds came out swinging early before succumbing to the opposition and the 4ths were victorious in their game. The Women's had a great win scoring 17 runs along the way and the Masters are still on a roll easily taking the points over Essendon at home.

Thanks to the senior players and coaches for helping out last night with the junior skills session. These sessions are vital to the development of our young Eagles, who will hopefully be playing seniors for us in the years to come.

## JUNIORS NEWS

The juniors had another great round of baseball with all levels from U18s to Tee ball taking to the diamonds. The u18s had a draw in a well fought game with Preston, the U16s had a terrific game scoring 16 runs along the way and our U12s Sunday team once again did us proud as they went about their ways in the Major League comp playing Newport. The Friday night crew never fail to impress as they continue to improve. The U14s played a ripping game with jet Quach belting in a home run, The U12s Blue were in fine form at home, the U12s Red played their first game and were just awesome to day the least and the U12s Black are just going great guns. The Tee ball and Rookie ball kids are underway and this Friday is the first Rookie game !!
