EAGLES NEWS

Greetings everyone and welcome to Volume 01 of the Eagles Newsletter for season 2017-2018.

It was great to see our seniors take to the fields in the opening round of the summer season. It was a testing round for us and one that proved to be a good for the Eagles. We look forward to this week, when all of our remaining teams take to the fields, as well as our juniors, who will no doubt be the loudest as they go about their way have fun playing the game they love.

Off-filed it was a hive of activity with the Grand Final day celebrations taking place and now we can look forward to the Past Players Day which is on in just over 2 weeks time. This is a great day for players and families alike, as we all come together to celebrate the past and present.

SENIORS NEWS

It was a ripping start for our first nine as they dominated in the opening game against Fitzroy at home. The Eagles defence was rock solid and was backed up by some timely hits. The 2nds were up against it, but there were some good signs of things to come wit this young team. Our 3rds were short of players and didn't get a run unfortunately and our 4ths were in full swing with the bat for a nice victory.

Good luck to all teams this weekend as see the Women's and Masters take to the diamonds to proudly represent the Eagles.

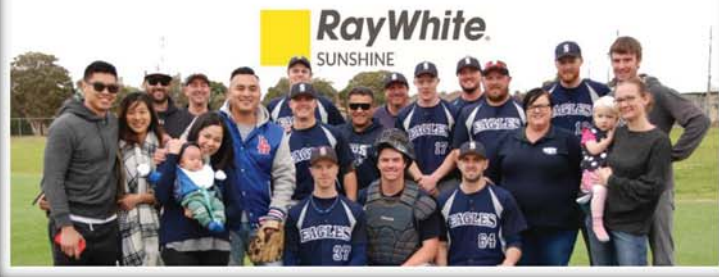

JUNIORS NEWS

The start of any junior season is always exciting and this one will be no different. We are proud to be fielding an extra team this season in the U12s section. The majority of these kids have graduated from the Rookie ball program and are now ready to step up to the plate and play baseball for the Eagles. In addition we have recruited some new players who are keen as to have a go this season as well. Apart from the 3 x U12s teams, we are fielding 1 x U14s, 1 x U16 and a combined u18s team with Newport. So all in all, we have a great line up of young Eagles ready to take on the challenges and more importantly, to have FUN this season. Our youngest Tee and Rookie ball will start next week with more fun to be had for sure :-)
