

BARCLAY RESERVE 5 TALMAGE STREET SUNSHINE

REGISTER NOW FOR THE NEW SEASON TEE BALL AND ROOKIE BALL PROGRAMS

Eagles Tee Ball (4-6 yo) Is the entry level for baseball and certainly a fun one at that. Participants in this category are learning all the basic skills as they hit the ball from a tee and run the bases. Each session the participants will practice and learn new skills and for the last part of the session, they will play a tee ball games against each other. Each new player to this category receives a participant pack with a glove, ball and lots of other goodies. The sessions are held on Tuesday nights at the club from (5.pm until 6.pm). There will be two gala day events held throughout the season when the kids will have the opportunity of playing against other teams in the Western suburbs.

Eagles Rookie Ball (6-8 yo) Is for the slightly older kids that are more confident in hitting a baseball that is thrown by the coach from a short distance, as well as also learning to pitch and catch themselves. This program is designed to prepare the participants for the next step in the baseball pathway, which is Little League Minor. Rookie Ball participants will also be able to participate in actual baseball games with other clubs in the Western suburbs, (there will be 4 games on the fixture). This is a great program that kids just love, as it gives them all the challenges of real baseball.

SESSIONS COMMENCE ON OCT 10th * ONLY \$80 PER SEASON

*Other expenses are Eagles T-shirt and cap, also available are Tee ball packs and Rookie ball gloves
