## EAGLES NEWS

Greetings everyone and welcome to Volume 05 of the Eagles Newsletter for season 2017-2018.

It was another round of fantastic baseball for the Eagles with the seniors and juniors enjoying some well earned success, sure there were defeats too, but that's baseball and there is always next week.

The Friday night dinners were a big hit, with many kids and parents staying around for a meal and to watch the movie. There were door prizes, a lolly jar comp and raffle with some great prizes. Congratulations to Kathy Kourouklis who won, 1 of 4 signed Aces balls that we have from season 2016-2017.

See you all again next week for more news from the Eagles Dome.

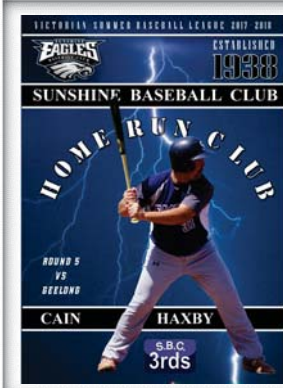

## SENIORS NEWS

It sure was another ripping round of baseball for our first nine in getting a very important win over Geelong. Jared and his lads are going great and will be looking forward to the challenge of taking on ladder leader Melbourne this weekend. The 2nds are still working on their game plan which will be sure to take a turn for the better soon, as are the 3rds who keep plugging away each week. Hacka was the shining light with a home run for the Eagles. The 4ths held on for a nice win with the ever young Diamond Jim throwing the whole game. The Ladies had an awesome game at home and are back on the winning list and the Masters were unable to play unfortunately due to the rain and it ended up being a washout.

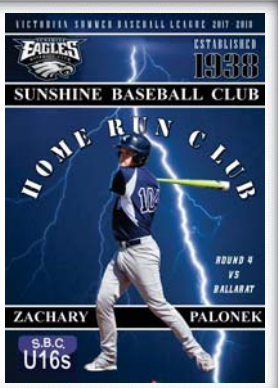

## JUNIORS NEWS

The juniors had a terrific round with many teams earing themselves some points for their efforts. The U18s played very well and showing some very good signs indeed and the U16s were also in good form with many players contributing on the day, standout was Zac Palonek with his in-field Home run, well done Zac, top effort!! The U12s Sunday team improved on their prior performance and are going just great. The Friday night teams will all in good form at home with Eagles everywhere to be seen. To date they can all stand proud, as there is continual improvement to be seen and given time over the course of the season, they will only get better. The Tee and Rookie ball kids are also loving the sessions and will look forward to the Gala day before long.
