SENIORS NEWS

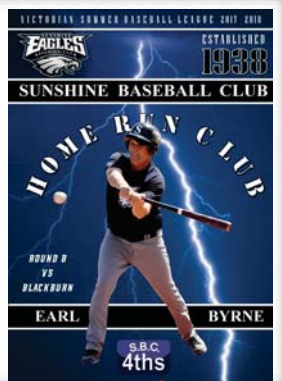

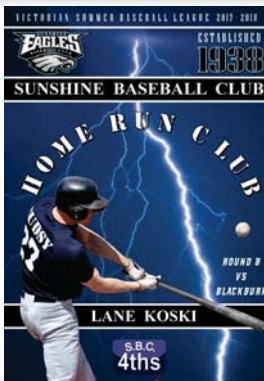

Our first nine missed the opportunity for the mid week game last week due to the stormy conditions, good luck tonight guys, it would be great to see you back in the winners box again. Our 2nd and 3rds were both beaten by better teams on the day and the lads will be looking for redemption this weekend. The 4ths had another great win, with Koski and Byrne hitting s bomb each. Jim Kelly has his team in a good groove at the moment and with his commitment, he will be sure to keep them on track for the remainder of the season. The Women's team had a bye, so they will be fresh this week as they take on Sandringham away. The Masters guys were in form once again and lapped up the paparazzi who were in attendance for the game :-)

JUNIORS NEWS

Our combined U18s team had a good win at home on Sunday over Upwey FTG and to date they have won 3 of their 6 games. Our U16s are also going well winning 4 of their 6 games, great work team, keep on swinging hard. The U12s Sunday team continue to improve and they earned 9 runs in their game on Sunday against Werribee. The Friday juniors were in full swing again and Barclay Reserve was once again a abuzz with 5 junior games being played at the one time. The U14s and u12s kids are all going great with many successes along the way. Our youngest had a busy couple of days with the Rookie ball games on Friday and the Tee Ball gala day on Saturday. Our youngest Eagles are certainly hitting the ball well and are going great guns.
