

BARCLAY RESERVE: *The skies certainly opened up last Friday for the juniors*

EAGLES NEWS

Greetings everyone and welcome to Volume 09 of the Eagles Newsletter for season 2017-2018. Now that everyone is busy with games going on and off-field events, the season is starting to zip by us and before we know, we will be getting a visit from Santa on Dec 16th. But before then, we will be privy to some great baseball from the Eagles as all teams carry on with their summer season campaign. We had a great turnout at the Sausage sizzle with many volunteers giving up their time to help out and the \$1,000 draw function was a big hit and was well supported by our members and friends. Thank you to everyone involved.

SENIORS NEWS

Our first nine had a great mid-week game with the bats doing all of the talking, but the weekend game was a different story being an arm wrestle to the end as the game was tied after 9 innings before the opposition scored late. The 2nds had their best game to date and were worthy winners, well done to all players and coaches involved. The 3rds were also in the box seat, as they finished up with a draw and earned themselves a couple of points on the table for their efforts, well done lads. The 4ths had their first blemish, that will no doubt serve to make them bounce back this week. The Women's team had a battle on their hands, but they never say die and keep doing their best. The masters results are not available as yet sorry.

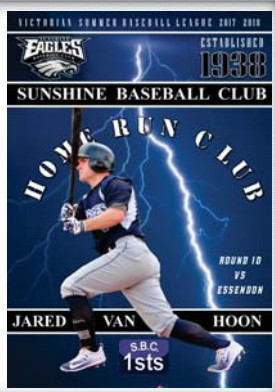

JUNIORS NEWS

Our combined U18s team had a very close game and just couldn't get over the line in the end, whereas our u16s managed to hold off the opposition by a single run, that's a great effort and result by both teams. The u12s Sunday team of fine young Eagles are going well and are scoring some runs and learning all the time, you guys are just the best in our eyes! The Friday night crews just managed to get their games in before the lightning struck and some fine games they were with all teams doing our club very proud indeed. Our Tee and Rookie ball kids are also improving each week and are showing all the sign of a fine hitting team on the Rookie ball games, well done kids, keep up the good work.
