SENIORS NEWS

Our first nine are back on track with a convincing win over Sandy at home, well done lads, it was a great combined team effort, keep that momentum up with the mid-weeker. The 2nds played a much better game than prior and are starting to gel together, as are the 3rds who played a really good game and took it right up to the opposition on the day. The 4ths held on for a nice win and are continuing on just nicely this season with a solid team. Our ladies had a great game scoring 19 runs for their efforts only to lose a close game by 2 runs, just great stuff!!

The Masters once again proved that they are the team to beat this season in the over 38 class. Well done to all seniors and give it your best again this week. GO EAGLES :-)

JUNIORS NEWS

The juniors action was underway again last Friday with all teams going great, apart from the U14s who unfortunately had to forfeit due to a few players out. The U18s had a close game, the U16s had great game amassing 17 runs for a comfortable win and the Sunday U12s had a bye. The Friday night crew didn't disappoint with all kids have fun and playing the game they love. The U12s Blue team had an awesome game with Makayla joining the HRC with an in the park home run, which is no easy feat. The U12s Red team gave it their best against Newport and the U12s Black continue on with their fine form this season. The tee/Rookie ball kids have a big week coming up with, the Rookie game Friday and the Gala day on Saturday, they just can't get enough :-)
