PROUD SPONSORS

Greetings everyone, Happy New Year and welcome to the first newsletter for 2018.

The season has recommenced with the Women's team taking to the diamonds already last Saturday. They had a great start notching up as win in a very close game at home, well done ladies and all the best for the remainder of your season. This weekend sees the return of our remaining senior teams, our Sunday junior teams, then followed by the Masters lads, then the Friday night junior baseball starts the week following (Feb 2nd) and then finally our Tee/Rookie ball kids on Feb 6th.

Off field the committee and members have been busy getting things in order for the remainder of the season, as there are some very exciting events on the horizon. As we know, the times goes so quickly these days and they will be upon us before we know it.

Events on the way soon to be advertised, will be the Twins Tee Ball Gala day Feb 17th, International Night on Feb 24th, Junior presentation nights in Feb and early March, as well as our annual Casino Trip on March 7th and then our senior Presentation night on March 23rd which is a great celebration of the season for all to enjoy.

Congratulations goes to Jordan Young who coached the Victorian U16 Blue team to a silver medal in the 2018 Youth Championships last week. The team narrowly missed out in the final and were very unlucky not to win. Jordy is no stranger to coaching representative baseball and this tournament was certainly as up their as one of his coaching highlights.

U16s Victorian White team representative Joshua Byrne had a great tournament and played an important role on the team roster. Josh pitched a couple of games and had some good at bats when his opportunity arose. Well done Josh, SBC is certainly very proud of you for making the VIC team and for proudly representing our club as well.

JOSHUA BYRNE: Victorian U16s White Team representative
