WELCOME

Greetings everyone and welcome to the Volume 15 of the Eagles Newsletter for our summer season of 2017/8. It sure was a hot round of baseball for all parties involved over the weekend with the temp hitting the high 30's and the high humidity didn't help, but that aside, it didn't deter our Eagles for going into bat and to do their best. The results don't always speak for themselves, but they certainly did for our Firsts who are back on the winners list after a sold game over Moorabbin at home. Our other senior teams faired well too, with the 2nds and 3rds still working hard and the 4ths doing very well. The Women's team had the bye and the Masters game was washed out with the cool change and heavy rains. The Sunday juniors battled in out in the early morning, the U18s were outdone by Cheltenham, the U16s dominant over Fitzroy and the U12s had a great game at Preston with some future stars shining through. Good luck this week to all teams and also we welcome back our Friday juniors finally and next Tuesday our Youngest Tee and Rookie ball kids come back to play ball. GO EAGLES !!!!
