## PROUD SPONSORS

NEW SPONSORS  
WELCOME

Greetings everyone, and welcome to the Volume 17 of the Eagles Newsletter for 2018.

It was a battle for most senior teams last week with the wins being far and few between. With just the one game to go for the majority of our teams, there will be nothing left on the diamond as they will be sure to give it all they have to finish off the season. The firsts still have an agenda that they need to fill and that is to win the last 3 games if they are to give themselves any chance of playing finals. The seconds have worked hard all season with a very young team and the 3rds have battled away with the limited playing list each week. The fourths have been solid and will be preparing for finals before long, as will the Masters who have dominated this season. The Women's team have really made some inroads and strung a few wins together recently which is just outstanding.

The U18s enjoyed some success on the weekend with a no hitter over Blackburn and the U16s just fell short by a couple of runs over Geelong away. This won't hurt the team, but will only serve to spur them on for the final series not far ahead. The U12s Sunday Majors have been just awesome this season, considering they are all still very young and are playing against many quality sides, well done Macka for taking these Eagles under your wing. The Friday night teams have all qualified for the semi finals and we can be any prouder of them. All the best to you all and make the most of your opportunities. Finally, we have the Tee and Rookie ball kids who have a big week ahead. Training Tuesday, Rookie ball game Friday and the Tee ball gala day at Newport on Saturday. **GO EAGLES**

## OUR INTERNATIONAL NIGHT IS ONLY 11 DAYS AWAY: FEB 24th

Great food, international beers and wine, great live music and good friends !!!  
Sounds like a night that you don't want to miss out on, book your tickets now with Kat.

TAYLER ROWE, Sudsy award winner in round 23 and U12s **NIC KAIN**, blasting one over the cones on Friday night !
