PROUD SPONSORS

NEW SPONSORS
WELCOME

Greetings everyone, and welcome to Volume 18 of the Eagles News for season 2017-2018.

Working our way down from our first nine, sure we would have loved for our guys to have a finals berth, but this season it want meant to be, but that shouldn't detract from the fantastic season it was. To be promoted to Division 1 baseball and to miss out on finals by just the one game shows how well overall that our team performed. Well done guys, keep the fire in the belly for next season and thank you all for the giving us a great season and all the best in your last game at home this Saturday. Just like the 3rds, the 2nds had a long tough season. The 2nds were a very young team compared to the opposition and the experience, although may be disappointing, the experience they had will make them stronger and hold them in good stead for next season. The 3rds had a core group of players that gave it all each week, as well as many stand-ins who helped out through the season, there were plenty of tough times, but the team stayed positive and gave it their best shot each week. The 4ths had yet another solid win and will be starting their finals campaign this week. Well done guys, all the best for the series. The Women's finished off their season with a home game and had some celebrations afterwards, well done ladies, you had some good games throughout the season and it just great to see you all enjoy it so much. The masters played their last home and away game last night and will also start their finals at home next week, well done guys, well deserved.

The juniors this season have been just outstanding! Our U18s finished off their season with another good win and the boys have a fantastic season overall with their Newport teammates, just great to see and well done guys. The U16s have finished on top of the ladder and start their finals at home, most likely against Geelong. Keep up the good work team and keep enjoying your amazing season. The U12s Majors played their last game last week and had the bye this week, but it certainly a memorable season in more ways than one, well done kids. The U14s Friday nighters came out swinging and played a great defensive game to beat the top of the ladder Werribee and earned themselves a place in the Grand final this week, go for it kids, you can do it! The Friday U12s Blue fell short by a few runs, but can look back on an excellent season under the guidance of Tolly and his assistants, well done to you all, it was great to follow your progress throughout the season. The U12s Red team won a nail biter and have also earned themselves a grand final berth, well done to our young coaches for guiding them and for helping them on their way to the GF. The U12s Black team who have had a stellar season have earned themselves a home Grand final on the main diamond, well done kids and coaches, thoroughly; well deserved. Finally our youngest of all Eagles had their final session last week, as well as a Rookie ball game and Tee Ball Gala day at Newport. There is no doubt that we have some bright futures here in the making, well done on a fine season and hope to see you again!

**INTERNATIONAL NIGHT
THIS SATURDAY**
