

WELCOME

JUNE NEWSLETTER 2018

Greetings everyone and welcome to our June Newsletter.

On June 22nd, we held our AGM and it was very well attended and supported by our members, which we thank very much.

We are pleased to announce that all committee positions have been filled and firstly, congratulations to all of the committee members who have been re-appointed this season and we welcome on board the following new members.

Long time and well known club member Leigh Davis, has filled the new position of Vice President (Strategic Planning), which is fantastic and we look forward to seeing him fulfil the role and to help steer the club in the right direction. Another long time club member Vic Rand has taken on the role of Bar manager, which is just great. Vic has always been one to do what he can around the club and to take on the more demanding role of Bar manager is very admirable and we wish him all the best in his new role. Another new position that was filled Uniforms and Equipment by Coral Wallis. Coral has been a club member for many years and it is just great to have her back on the committee and taking over the position from Raelene Murphy who did a fantastic job in the past. Other positions that need mentioning are Jodie Radford who is looking after Grant submissions and also Michelle Haxby who each year prior to the AGM, does the Auditing for the club, thank you for your time Michelle!

On the baseball side of things, we are very pleased to announce that club stalwart **STUART CLAYTON**, will be taking on the head coaching role this coming season. Magoo, as we affectionately know him, is keen to take on the role and he can't wait until early August when he starts the pre-season training and to put his new season plans into place for our Eagles.

Another proud announcement is our newest Life Member Robert Blackmore. Please see below for a brief on this fine recipient.

It wont be long before our junior come and try days are upon us. This is always a very exciting time for the club when we welcome in new members and catch up with our existing ones. Please see the flyer attached and pass it onto your friends and ask them to come on down to Sunshine and to have some fun playing baseball with us this season.

STUART CLAYTON

STUART CLAYTON nickname: Magoo

Stuart's baseball career started back in 1983 at the age of 15, when the team was short and he and Rod Missen filled in and from that day forward, Sunshine was the only club that Stuart has ever played for.

Stuart's preferred fielding position is pitcher and he has represented Victoria in the Provincial team. has won various awards over the course of his career such as seconds MVP numerous times, as well as hitting and fielding awards and the one that he is the most proud of "the Edward King Cup" (1sts MVP) in the 1991-1992 season. In 2013, Stuart had the honour of being named in the Top 21 Players of all time for Sunshine. When asked, Stuart said that the greatest player that he has ever played with, was Graham Llyod and his most influential coach was John Galloway, who he said. 'taught him everything that he knows'.

Stuart has always been a very active member taking on demanding roles such as Junior Coordinator in the early 2000's, then various senior coaching roles, as well as umpiring numerous junior games throughout his career. Stuart is also very active off-field and is always involved in various member programs to keep the social side of things on the go, as well as helping raise funds. His most memorable moment while playing at Sunshine was winning the Edward King Cup and receiving his life membership.

In season 2017-2018, Stuart and Leigh Davis took on the 2nds coaching role and this season we wish Stuart all the best as he takes on his the top job of Club Coach for the Eagles.
