**SUNSHINE BASEBALL CLUB**

**1938 - GEORGE KIRBY**

Mr. George Kirby was from Leongatha and together with his wife Mrs. Rosa June Kirby, who was from Bairnsdale, came to Sunshine in the early 1930s. George Kirby was a member of many sporting clubs in the local area and was also President of many including the local cricket club, football club and Sunshine District Band. George also had the first picture theatre in Sunshine. No one in the town was held in such high esteem by all sporting bodies as Mr. Kirby. George was heavily involved in our club and was President from its inception in 1938, right up until his death in 1962. The club is indebted to the generosity of the Kirby family (of Village Roadshow fame) for their generous support over the many years.
