

SUNSHINE EAGLES - 2018 WINTER B GRADE PREMIERS - GBA

Our first senior men's winter team in over 25 years debuted in the Geelong Winter Baseball Division 2 Competition and had an exceptional season. They finished on top of the ladder winning 12 out of their 15 games and were victorious in the grand final winning Premiership. Great season guys you certainly made your club proud of your efforts this winter season.

EAGLES NEWS

Greetings everyone and welcome to our September Eagles Newsletter. (our weekly editions start next week).

The lead up to the season came not so long ago and now we are set for our first game of the home and away season.

Stuart Clayton and his coaches have been putting in the hard yards with their pre-season training and they are all fired up ready to take on the challenges of the season ahead. The Juniors are also dusting of the cobwebs ready to play ball in the very near future as well. Off-field our hard working committees and volunteers have just about put everything into place to ensure that there are no unforeseen surprises come game day. The club secretaries are doing their best to make sure that all of the registrations are in order, as due to the rule from Baseball Victoria, if you are unregistered, you simply can't play.

Good luck to all of our Senior teams playing this weekend and we also like to welcome to our club, all of our new players who will proudly don the Eagles jersey this season. As for our junior baseballers, you are the foundation of our great club and we can't wait to see you all run out onto the diamonds in just over a week's time. Following our junior baseballers, our youngest Eagles will take to the fields in the Tee Ball and Rookie Ball section of the club to start developing their skills and to one day also proudly represent our club playing baseball for the EAGLES

EAGLES NOTICEBOARD NEW SPONSORS

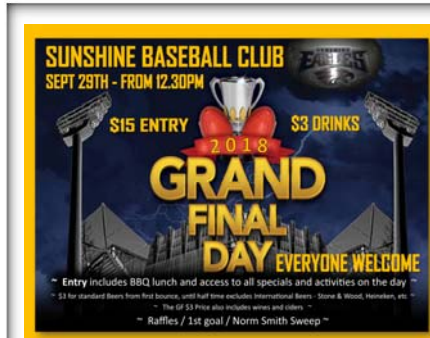

We welcome 2 new significant sponsors this season, thank you!!
