100%: There is no doubting the effort of Jordan Young as he dives to save a hard hit ground ball.

EAGLES NEWS Vol 04

October 23rd 2018

Greetings everyone and welcome to Volume 04 of our Eagles Newsletter for season 2018-2019.

It was another weekend full of baseball action for our Eagles, with our seniors and juniors giving it their all for their respective games. On the senior side of things we had a couple of victories, but the majority of teams fell short of the required runs and will be looking to make up for it this week. It is only early days for our Eagles and there is plenty of time for them to find their winning ways. The junior teams are travelling along nicely, with all teams being competitive in their divisions. Our Rookie Ball kids had their first game against Newport and the kids had a great time, as well as smashing the ball and running the bases like champions.

Off field we have a few exciting events coming up and it starts this Saturday with the \$1,000 Draw. This is always a great night, when we do the countdown and call out every number ticket that is sold, until there is only one lucky winner left. The cost to enter is only \$10 and not only does this give you a sporting chance to win the cash, you also get free drinks from 7.30 to 9.30 pm on the night. Tickets are still available from Leroy, or from the bar, so all the best to everyone who has purchased a ticket and thanks for your support of this fundraiser.
