EAGLES NEWS Vol 07

Greetings everyone and welcome to Volume 7 of our Eagles Newsletter for season 2018-2019.

It was another busy week for the Eagles with lots of action on and off field again. Thanks to Kat and to all of her helpers in organising the Past Players Day activities, even though the numbers were down on previous years, there were still good times to be had with plenty of stories doing the rounds.

On field there were some great games from all of our troops in all levels. To date overall the club is doing quite well and we are well represented in all grades and it is a credit to all of the coaches from tee ball right through to our first nine. In addition to our coaches, we need to also thank their assistants, scorers, umpires, grounds staff and to all of our loyal volunteers that are putting their hand up week after week.

Our Tee Ballers will be preparing for the first of their first Tee Ball Gala Day this Saturday as the head off the Footscray to take on teams from other clubs, it is sure to be lots of fun.

The Rookies will also be in training mode this week for the 2nd Rookie Ball game of the season this Friday as they take on Newport again, this time at home, cant wait for that one !!

The Vultures had the week of with a scheduled bye last week. There is no doubt that they will be keen as to take this the field this week and they will be playing our Hawks at home.

The Hawks had a good game at home and even though the opposition team started quite well, the Hawks kept on swinging, made the most of their opportunities and had a great game.

The Falcons are real good game last Friday as they took on NW Titans at home. All players contributed on the night with some nice defence work in the field and some great at bats.

The Raptors were up against a stronger opponent on the night and did they best they could. They scored 6 runs for their efforts and will looking forward to taking on the Condors this Friday.

The Condors had one of their best games to date with all kids firing up in the game at Williamstown. Special thanks to Gavin and Andrea for looking after the team in Brian's absence.

The Little League Major kids are continuing on with their fine form and learning each and every game as they continue on in the Major League games. Gook work kids and keep having fun.

The U16s are continuing on with their fine form, as they once again showed the opposition that they are there to play ball and to their credit, they keep going about their ways each week.

The U18s keep battling on as they step up each week for the next challenge. Unfortunately things didn't go their way last week and they were once again chasing the runs for the most part.

It was a run fest for the Masters last night with the guys belting in 16 runs for their efforts. Good solid win with all players contributing on the night.

The 4ths had a nice win over Moorabbin and racked up 11 runs for their efforts. So far they are 5 and 2 for the season, so they are cruising along just nicely this season.

The 3rds are really starting to gel as a team. They had another great game on Sunday and almost came away with a nice win. Keep up the great work Gav and guys.

The 2nds came out firing in their game and were in the box seat early on, but as we know, it only takes one inning to do the damage. All the best next week guys, keep working hard.

Our first nine backed up last weeks win with another handy one at home on Saturday. It sure great to see all of the guys with the confidence to just get the job done, GO EAGLES !!

CONDORS: Looking good this season, great game last week !!

EAGLES LL MAJOR: Lily sliding into to home safely to score

EAGLES LL MAJOR: There sure is plenty of determination on these faces.

2NDS: Nice tag at home

Another fly ball for Griff

Russ going for the steal

1STS : Hard hit grounder

Who's on second?
