WELCOME

Greeting and welcome to our May Newsletter.

This winter baseball season for our juniors and our senior team is well and truly underway. It is just fantastic and to be able to field these winter teams in our usual off season and to everyone involved in making this happen, we thank you very much. We will keep you up to date with the teams progress via Facebook, as well as our usual monthly newsletter in the winter season. To date our senior team has won their first 2 games and the junior teams are really enjoying the competition and are playing some really good baseball. As the season has only just started, we can certainly look forward to many Eagles highlights !!

Apart from the on-field baseball action, the committee has been assessing the past seasons events and performance and are busy planning for the upcoming Annual General Meeting (AGM). On the topic of the AGM, this is a most important time of the year when the committee members all table their reports for the season and on the night, present a short brief to those in attendance. The committee is made up of many individuals who volunteer their time for the club and the AGM is an event where everyone is welcome to attend and to hear what they have to say. Your attendance doesn't mean that we expect you are there to be a volunteer, but in saying that, all volunteers are more than welcome. Everyone who attends on the night gets as a copy of the AGM booklet as well as light refreshments after the formalities.

REFRESHMENTS WILL BE SERVED
7.00 PM

WINTER BASEBALL

Our Eagles Senior and Junior winter teams are going just great so far this season. The senior Eagles have many junior players, as well as seasoned players, who are proving to be very strong competition for their opponents and in the U13s and U15s section, the kids are doing very well indeed as they go about their ways and are enjoying their baseball and development.

HOME RUN CLUB

Nathan Gatt smashed his way into the Eagles Winter HRC for season 2019 !!

REP BASEBALL

The Twins Little League and Intermediate League teams have been training at Barclay reserve for the last few weeks in preparations for their upcoming tournaments in June. All the best guys and to Jonah who is playing in the Twins Intermediate League team.

TRIVIA

On September 7, 1974, in a game against the White Sox, California Angels pitcher **Nolan Ryan** became the first player to break the 100 mph barrier when one of his pitches was officially clocked at 100.8 miles per hour (162kmph).
