## SENIORS: B GRADE PREMIERS, WHAT A WAY TO END A WINTER SEASON

Greetings everyone and welcome to our late September Eagles Newsletter, our weekly newsletters will start from next week onward. Firstly what an amazing Grand Final our Winter Senior team played just recently, it was an epic game and that went the way of the Eagles after a gruelling 3 1/2 hours playing time. Congratulations to all players, officials and to the loyal supporters who followed them all season. The lead up to the summer season came not so long ago and now we are set for our first game of the home and away season. Stuart Clayton, his coaches and players have once again been putting in the hard yards with their pre-season training and they are all fired up ready to take on the challenges of the season ahead. The Juniors are also dusting of the cobwebs ready to play ball in the very near future as well. Off-field our hard working committees and volunteers have just about put everything into place to ensure that there are no unforeseen surprises come game day. The club secretaries are doing their best to make sure that all of the registrations are in order, as due to the rule from Baseball Victoria, if you are unregistered, you simply can't play. Good luck to all of our Senior teams playing this weekend and we also like to welcome to our club, all of our new players who will proudly don the Eagles jersey this season. As for our junior baseballers, you are the foundation of our great club and we can't wait to see you all run out onto the diamonds in just over a week's time.

**FIRST PITCH EVENT:** Our newest sponsor SAVERS, have the honour of throwing the first pitch to open the 2019-2020 summer season.
