Eagles News Vol:14 Jan 14th 2020

Melbourne Ballpark Clubland Day: It was just an outstanding show of support for our Clubland Day.

JUST ACES !!

Dear Members, Families and Friends, Sunshine Baseball Club wishes you all a very Happy New Year and hope that you all have enjoyed the festive period. With the horrendous bushfires in all states,, it has been very difficult time for many and our sympathy goes out to all.

Now that the season resumption is upon us, we certainly look forward to the Eagles taking to the diamonds once again and to finish off the season on a high note. The Junior League team is the first to take to the field, followed by the Women's' team, then the remaining Senior and Junior Intermediate League team on the Sunday. The Masters will follow next Monday and the other juniors will follow in a couple of weeks' time. All the best to the teams and we look forward to seeing you all at the games and the Eagles Dome soon.

EAGLES RESULTS / ACES INFO

Sausages on the go, good company and a great game to boot, it doesn't get much better than this !!

Thank you to all of the wonderful volunteers that were involved in the organisation of the Eagles Aces Clubland Day. It was noted by the Aces staff as one of the best turnouts in regards to the attendance. All proceeds from the sausage sizzle were kindly donated to the victims of the bushfires.

EAGLES NOTICE BOARD

Congratulations to Joshua Byrne for his performance to date for the Victorian U18s Blue team, who have earned themselves a play off in the Bronze Medal game at Geelong tomorrow. It is such a milestone for any junior to represent their state and we are certainly proud of Josh.

Also we are also very proud of Jordon Young who was appointed in the U16s Blue team coaching staff and doing a wonderful job with the players. Coaching at this level is nothing new for Jordy and it is just fantastic that he is passing on his skills and knowledge to the juniors. Good luck to you both for the Finals series tomorrow.

The Aces have been travelling along nicely this season and our own Allan De San Miguel has been in fine form. He was recently inured in the game against Geelong Korea, so we wish him all the best for a speedy recovery.

The Aces game return to Melbourne Ballpark this week with 4 games scheduled, with the first one starting this Thursday. Parents, please book your ticket on-line though our own website link and kids enjoy the games :-)
